EDUCATION

Drexel University | Philadelphia, PA | April 2013 - August 2019 (expected)

Major: Bachelor of Science in Computer Science | Minor: Architecture

Selected concentrations: Software Engineering, Human-Computer Interaction

TECHNICAL PROJECTS

Front - end Developer | Checkers Online | June - September 2018

- 10 week class project to develop an online checkers game using a client/server model
- Developed client application using HTML/Javascript with a canvas-based UI
- Coordinated with group members to design GET/POST requests for communicating game state information with the server application
- Assisted in writing documentation for project requirements, design, and testing

Developer | John Fry's Food Truck Extravaganza | January - June 2018

- 20 week class project to create a food truck finding app (written in HTML/Javascript)
- Created a format to store food trucks and menu items in a Google Firebase database
- Wrote a responsive web application to fetch and display truck information to users
- Created a separate back-end utility to add/remove items to the database
- Prepared user and system manuals

EXPERIENCE

Intern Architect | Kris Kolo, LLC | Philadelphia, PA | June 2015 - October 2016

- Worked on renovation projects primarily for educational clients, including The University of Pennsylvania and The University of the Sciences
- Conducted site surveys to take photos and get dimensions of rooms, locations of fixtures
- Assisted in preparation of schematic design and construction documents using AutoCAD
- Gained insight into various stages of the design and construction process

LANGUAGES

Java | Python | C | C++ | HTML / CSS / Javascript | Bash scripting

SOFTWARE & OPERATING SYSTEMS

Linux / UNIX systems	Xcode (IDE)	Trimble SketchUp
Microsoft Windows	VIM (Text editor)	AutoDesk AutoCAD
Macintosh OS X (macOS)	Git (Version Control)	AutoDesk Revit
Eclipse (IDE)	MathWorks MATLAB	Adobe Creative Suite
IntelliJ IDEA (IDE)	Microsoft Office/Word/Excel	Unity

COURSES & SKILLS

Software Design	Software Security	Architectural Design
Object Oriented Programming	Software Engineering	Computer Aided Design
System Architecture	System Programming	Web Development
